SPECIAL STUDENT VISA & 14 DAY QUARANTINE INFORMATION:

1.) The Baan Hom Samunphrai School will send you an official **STUDENT VISA LETTER**. For this we will need the names of the course/s you wish to take and their dates. We will also need:

- a.) Your full name;
- b.) Nationality;
- c.) Passport Number;
- d.) Expiry Date;
- e.) Home Address;

2.) With the Student Visa Letter you can apply to the Thai Embassy or Consulate nearest you for a **30 TO 90 Day STUDENT VISA**, depending on the amount of time you need.

3.) Before you complete your Visa you must have arranged for the **14 day Quarantine** in Thailand. There are State Approved Hotels starting from ฿ 32.000 (\$1000.00) for full Room & Board and all hotel Services for the whole 14 day period. That includes twice daily temperature, medical checks and 2 full Covid 19 Tests. You should contact the hotel of your choice directly to make and pay for your booking.

To do this you should search online for **14 Day Quarantine Hotels in Thailand** and make your own choice. There will be Chiang Mai hotels on the list very soon, which will be easier for you.

4.) **Book your flights**, preferably entering Thailand at Chiang Mai Airport. We can then meet you at your hotel as soon as your Quarantine period is finished and bring you straight out to Baan Hom Samunphrai free of charge. You can also use your hotel phone to talk to us anytime for support and encouragement. (You should aim to get here at least the day before the course begins, or two days earlier even better -- we will charge you ฿ 1100 (\$35.00) per day for extra days – that includes everything, full room & board plus free herbal steam baths, bicycles, wifi, etc. And of course you can book Thai massages for yourself too!)

5.) With all of the above in hand you should **Complete your Visa and Flight Bookings** – your Quarantine hotel will meet you at the airport free of charge.

6.) Finally, you will need a negative **Covid 19 Test** result a minimum of 3 days before your flight
